1

10-Year Capital Plan

Implemented comprehensive strategy for maintaining safe, healthy learning environments.

2

Prioritization

Addressing annual needs in maintenance, operations, replacement, sustainability, and longevity.

3

Continuous Improvement

Regularly seeking efficiencies to optimize facility management and resource allocation.

Financial Stability and Growth

1 Improved Financial Position

Consistently enhancing fiscal health through strategic planning and resource management.

2 Expense Management

Maintaining balanced operating expenses while investing in educational excellence.

3 Reserve Maintenance

Ensuring long-term stability through prudent reserve management and financial oversight.

Community Involvement & Engagement

Athletic Programs

Enhancing sports offerings to promote physical fitness and teamwork.

Program Enhancements

Implementing new initiatives to broaden educational experiences for students.

Community Education

Expanding lifelong learning opportunities for all PEASD community members.

Upgraded Bond Rating

Previous Rating Baa1

Solid foundation for financial growth and stability.

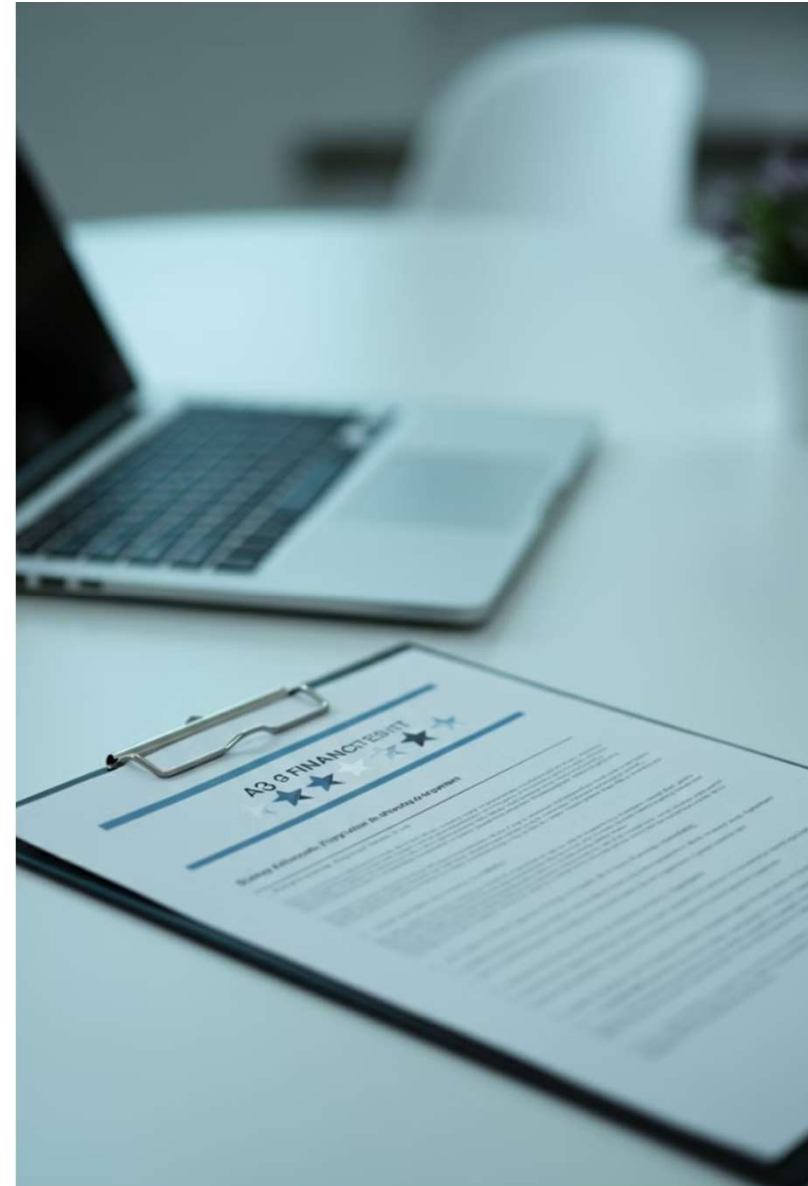

New Rating A3

Significant upgrade reflecting improved financial outlook.

Key Factor

Montessori/Early Childhood Center success driving positive change.

Academic Performance Improvements

Area	Improvement
Student Achievement	Significant increase
Growth	Positive trend
College Readiness	Enhanced preparation
Overall Performance	Marked improvement

Record-Breaking Scholarships

Total Amount

Over \$600,000 in scholarships awarded to PEASD students.

Annual Awards Banquet

Celebrated student achievements and community support for higher education.

Future Impact

Empowering students to pursue their dreams and contribute to society.

Gene Burlingham Greenhouse

1

Community Support

Built through generous donations from community members, FFA, and local organizations.

2

Agriculture Programming

Enhancing hands-on learning experiences for PEASD students in agricultural sciences.

3

Community Education

Providing a resource for community-wide educational programs and workshops.

EES Literacy Excellence

1

New Literacy Program

Launched innovative approach to reading and writing instruction.

2

Defined Practices

Implemented research-based instructional methods for consistent, effective teaching.

3

Growth Focus

Emphasis on individual student progress and continuous improvement.

Electric School Buses: Leading the Way

Environmental Impact

Reducing carbon footprint and improving local air quality.

Local Partnerships

Collaborating with community organizations for sustainable transportation.

Cost Savings

Achieving significant annual fuel savings through electric technology.

Data-Driven Instruction

Assessment

Regular evaluations to identify student strengths and areas for improvement.

Analysis

In-depth examination of data to inform instructional strategies.

Adaptation

Tailoring teaching methods to meet individual student needs.

CTE Programs and Electives

Automotive Technology

Hands-on training in modern vehicle maintenance and repair.

Digital Arts

Exploring creativity through cutting-edge digital design software.

Performing Arts

Nurturing talent through music and theater programs.

Looking Ahead: PEASD's Bright Future

1 Continued Growth

Building on our successes to further enhance educational experiences.

2 Community Partnerships

Strengthening relationships to provide more opportunities for our students.

3 Innovation

Embracing new technologies and methods to prepare students for future challenges.
